

Our Location/Surrounding Area

The tip of Lake Superior's Keweenaw Bay is the home of the Waterstone Suites. From every suite, you can see a beautiful sunset over Lake Superior, the largest freshwater lake in the world.

Just north, is the Baraga State Park, with 56 acres for hiking, cross-country skiing, fishing, picnicking and play grounds. A stone's throw away, is the Shrine of the Snowshoe Priest, honoring Bishop Frederic Baraga, the first Bishop of the Upper Peninsula. Heading south, you'll reach Marquette, the home to Northern Michigan University. On the way north towards Copper Harbor, are the cities of Houghton and Hancock, situated at Portage Entry, and home to Michigan Technological University and Finlandia University. Further north, you'll find historic Calumet and the Calumet Theater, a restored opera house, where shows run most of the year.
